Experience

UI Developer Intern

Jun 2024 – Aug 2024

Viget | Falls Church, VA

- Independently developed an animated AI therapy chatbot from 0→1 by conducting competitive analysis and user testing, designing visuals and interactions to increase empathy and trust.
- Led branding, UI design, and frontend development for a hackathon app demoed to the company.
- Built components for client projects, participated in PR Reviews, and observed client meetings.

UX Design Intern

Jun 2023 – Sep 2023

Kubeshop – Testkube | Remote

- Aligned with the design lead and product lead to launch AI insights for Testkube Cloud to reduce debugging time and frustration for **1000+** users. Delivered specs for a Sep 2023 launch.
- Conducted competitor analysis, UX audits, and Kubernetes-native usability testing.
- Analyzed **50+** PostHog recordings for UX issues and proposed solutions to the UX team.

IT Intern

Jun 2022 – Aug 2022

SourceAmerica | Vienna, VA

- Migrated the company's intranet by creating and testing **200+** SharePoint Online web pages, workflows, forms, and libraries, impacting **600+** daily users.
- Achieved **WCAG Level AA** compliance by leveraging a11y tools and implementing enhancements.

Projects

Full Stack Developer

Jan 2024 – May 2024

Campus Thrift | University of Virginia

- Designed and developed a full-stack listings platform built using HTML, VanillaJS, and PHP, enabling local item exchanges for students.
- Voted a **top-three** app out of **40+** student projects and awarded Best Usability.

UX Designer

Sep 2023 – Dec 2023

UVA Events | University of Virginia

- Created a design system informed by user interviews and led frontend development on a team of **4** for a Django web app with Google Maps integration to showcase events around UVA.

Web Developer

Dec 2022 – Jan 2023

&Market Kitchens Website | Washington, DC

- Self-taught design and development for the vendor-facing website for a coworking kitchen, collaborating with the client and **2** visual designers on high fidelity wireframes and implementation.
